Parts of Speech: Notes and Exercises

JSS 2 English Language. The eight parts of speech, with examples and a ten-question exercise.

Subject	Class	Topic	Exercise
English Language	**JSS 2**	**Parts of speech**	**10 questions**

Every word in a sentence does a job. The job a word does is its part of speech. The same word can do different jobs in different sentences, so always look at how the word is used.

Part of speech	What it does	Examples
Noun	Names a person, place, thing or idea.	Zainab, Kano, pencil, honesty
Pronoun	Takes the place of a noun so we do not repeat it.	he, she, it, they, them, ours
Verb	Shows an action or a state.	run, write, sing, is, seem
Adjective	Describes a noun or pronoun.	tall, three, blue, careful
Adverb	Tells us how, when or where an action happens.	quickly, yesterday, here, very
Preposition	Shows position or relationship.	on, under, beside, between, after
Conjunction	Joins words, phrases or ideas.	and, but, or, because, although
Interjection	Shows sudden feeling.	Wow! Oh no! Ah! Hurray!

Tip

Ask a question about the word. If it answers who or what, it is usually a noun or pronoun. If it answers how, when or where, it is usually an adverb.
